## Notes

Please arrive at the airport at least 90 minutes before departure and remember to bring the valid ID you used to purchase your ticket.

When going through security, please present your valid travel documents and boarding pass.

Flights must be utilized in the designated order; failure to do so may result in subsequent itineraries being invalidated or non-refundable, and could incur penalties or additional charges.

To safeguard passenger rights and interests, please visit the carrier airline's website to carefully read the passenger notices and review the carrier's comprehensive transportation policies.

To learn more about the regulations of other airlines, please consult the respective airlines directly.
